Paul E. 'Truck' Tremain Memorial Scholarship Program

Approved Service Learning Project Organizations & Activities Handbook

Service Learning Project Guidelines

The Dearborn Community Foundation, Inc. (DCF) administers the Paul E. 'Truck' Tremain Memorial Scholarship Program. It is the intent of the City of Lawrenceburg to financially assist eligible graduates of Lawrenceburg High School who pursue a post-secondary education and who meet specific eligibility criteria (see our website at www.dearborncf.org for specific eligibility criteria). This scholarship program began with the Class of 2002 as the City of Lawrenceburg Educational Grant.

- Students are currently required to complete at least 50 hours of approved Service Learning hours, over the course of his/her high school career, in order to be eligible for the Tremain Scholarship following graduation.
- Students may begin accumulating volunteer hours following their eighth grade graduation.
- Volunteer activities are reviewed and approved based on whether or not the activity provides a benefit to the Lawrenceburg community and/or Dearborn County community.
- Students must complete a Service Learning Report form for each volunteer activity completed.
 - Report forms are available at LHS Main Office, the DCF office or at the DCF website: www.dearborncf.org.
 - Completed forms MUST be completed and signed by the organization's Authorized Representative who oversaw the volunteer activity.
 - On a separate sheet of paper attached to the form, a narrative is to be completed by the student addressing each of the three questions on the form.
 - Students must also sign the form.
 - Incomplete forms or forms for unapproved organizations and/or activities will NOT be accepted.
 - The report form MUST be submitted to DCF within 90 days of each date of service to receive credit for the services performed.
 - A letter will be sent to the student regarding approval of hours.

Any volunteer activity not shown on the approved list must first be approved by DCF. If a student has an activity they he/she wants to participate in, the student may call the DCF office to request approval. Any volunteer report forms received for non-approved organizations/activities will NOT be accepted. **Political activities, such as but not limited to campaigning at a polling place for a candidate, are not approved activities. Volunteering at a business will not be approved.**

- Organizations and activities are periodically added to the list, when approved by DCF. Please check the list on our website regularly.
- From time to time DCF approves activities not listed in the handbook on a one-time basis which are communicated to the LHS Principal who in turn communicates the approved activity to students and parents via school e-mail.
- DCF encourages students to keep a copy of the Service Learning Report Form(s) for their records.
- Please see the application on our website: www.dearborncf.org for a complete list of guidelines & criteria.
